A song of spirit worship.
Washing the ancestors' feet.

Collected by Wang Ming-ji.

Bring a copper pan for heating water,
And a copper bowl for washing feet.
Wash the forebears' and ancestors' feet and make them white,
Wash the forebears' and ancestors' feet and bid them enter.

- 5 Bring a copper pan for heating water,
 And a copper bowl for washing feet.
 Wash the forebears' and ancestors' feet and make them clean,
 Wash the forebears' and ancestors' feet and bid them depart.
