

**Publishable non-confidential summary: D7.1: Dissemination report and exploitation plan version month 12**

Date Due: M12: 30 Sept 2014

Project acronym: CREATIF

Project full title: Digital creative tools for digital printing of smart fabrics

Grant agreement no.: 610414

**SEVENTH FRAMEWORK PROGRAMME**

**FP7-ICT-2013-10: Objective ICT-2013.8.1 Technologies and scientific foundations in the field of creativity**

The public dissemination of the project so far has been detailed and this is available at the project web site: <http://www.creatif.ecs.soton.ac.uk/>. The exploitable results (ER) of the project have been identified. An ER Excel-based tool has been produced to enable the partners to analyse the ERs in terms of a SWOT analysis, ownership, market analysis and risk analysis. Preliminary routes to market have been discussed.
